

Privacy and Information Policy

I, the Applicant, give my consent to the processing to the Institute of Innovative Technologies in Business LLC (location: St. Petersburg, Petrogradskaya emb., 22), including its structural divisions, of the categories of personal data specified in this application (including cookies, my ip address, geographic location, request initiation time, address of the visited web page, full name, phone number, e-mail), including collection, recording, systematization, accumulation, use, storage, clarification (updating, changing) , extraction, transfer (distribution, provision, access), including among third parties, depersonalization, blocking, deletion and destruction, both by the Institute independently and with the involvement of third parties as performers.

The processing of my personal data is carried out for the purpose of fulfilling obligations, concluding and executing contracts between me and the Institute, instructing the Institute to process my personal data to other persons, obtaining any information using any means of communication, including telecommunications and mail, including about the services of the Institute, advertising, termination of my obligations to the Institute or the Institute to me, as well as interaction with the Institute on other issues. The processing of my personal data can be carried out by using automation tools and without using such tools, as well as in other ways, taking into account the technologies available at the Institute. This consent is valid for the period that is necessary to achieve the above purposes of processing personal data. If the federal law establishes a different period for the storage of personal data, this application is subject to storage in the manner established by the legislation on archiving in the Russian Federation, within the period established by law. This consent may be withdrawn by me at any time by submitting a written application to the Institute.
